ABOUT

Dr. Mark Kohout is a dedicated, fully qualified plastic surgeon with over 25 years of experience in the cosmetic and reconstructive field. After years of specialty training spanning the UK, Australia and the United States, he co- founded his own successful private practice, Australia Plastic Surgery, in the heart of Sydney. He conducts a comprehensive patient consultation that prepares you with the detailed information needed for confident decision-making, and tailors his surgical techniques to each patient for optimal care and results.

MaxilloFacial Fellowship

HARVARD MEDICAL SCHOOL

Advanced fellowship in complex facial and craniofacial surgical procedures in Boston, USA.

CLINICAL INTERESTS

Breast implants, implant revision, reduction & lift

Facelift, neck lift, eyelid surgery & ear pinning

Tummy tuck, arm tightening, body lift & thigh reduction

Liposuction & skin tightening

Male surgery, including gynaecomastia

Labiaplasty, hymen restoration & vaginoplasty

MEDIA & EDUCATION

He has appeared on popular television programs including The Biggest Loser, Ultimate Transformations and Bodyworks, and has lectured at national and international plastic surgery conferences.

CLINICS

Dr. Kohout sees patients in his clinics at Glebe (central Sydney) and Orange NSW - a fully committed, friendly professional devoted to providing high-quality care, support and results, alongside his compassionate team.
